

EEPC India invites participation in **INDEE Jordan** coinciding with **JIMEX 2023** 5 – 8 June 2023, Amman, Jordan

Participate through EEPC India and enjoy substantial savings!

About the Exhibition

India and Jordan share a vibrant economic, commercial and business ties. Realizing the immense potential which the country has to offer, EEPC India has identified Jordan as the location of next edition of its flagship engineering Show – Indian Engineering Exhibition (INDEE). INDEE Jordan 2023 will coincide with the 18th International Machinery and Electricity Exhibition (JIMEX) scheduled from 5 – 8 June 2023. This is the largest trade event held annually in Jordan.

JIMEX 2023, covering sectors like Industrial Machinery, Construction Machinery, Electricity, Automation, Home Automation, Security, Cameras, Fire-Fighting, Energy, Renewable Energy, Solar Systems, Water Technology, Environment Techniques, HVAC & R, Tools and Industrial Supplies. JIMEX is considered as most important industrial, engineering & trading platform targeting markets of Near East Countries covering important infrastructure sectors, all industries, energy, electricity, automation, water, contracting and consultancy.

The exhibition is held under the Patronage of His Excellency the Prime Minister of Jordan, with the official support of Jordan Engineers Association (JEA). Since its establishment In 2004, JIMEX has been awarded by Certificates and Awards for its high quality visitors & exhibitors. EEPC India has been regularly participates in this exhibition since 2012.

Co-located show - SONEX 2023

Solar Near East Exhibition (SONEX) will be the co-located Show with the JIMEX, covering all solar and renewable energy applications in power generation, electricity, lighting, water, industries, farms, domestic and commercial buildings.

Show Summary of JIMEX 2022, the first after COVID Pandemic

Exhibitors: 250 Exhibitors participated in JIMEX 2022 representing more than 1000 global trade marks.

Exhibiting Countries: India (Pavilion), Taiwan (Pavilion), China, Germany, Czech Republic, Saudi Arabia, UAE, Egypt, Palestine and Jordan.

Visitors: Nearly 18000 trade visitors had attended this event.

Countries of visitors: Gulf Countries, Europe, Turkey, India, China, Iraq, Syria, Lebanon, Egypt, Palestine and Jordan.

Economic scenario of Jordan

Jordan has almost fully recovered from the shock of COVID-19, and have weathered the crisis better than many of its peers. This is in part due to timely fiscal and monetary stimuli by the government, as well as improvement in terms of trade caused by the drop in oil prices.

India-Jordan Relations

India's relationship with Jordan has always been characterized by warmth and goodwill based on mutual respect. The 10th India-Jordan Trade and Economic Joint Committee (TEJC) was held in New Delhi in July 2017. The recent visit of Hon'ble PM Shri. Narendra Modi to Amman in February 2018, during his official visit to Palestine has given a boost to bilateral relations.

India – Jordan Bilateral Trade

India's relations with Jordan have been historical. Recent years have seen relations between India and Jordan expand rapidly. In 2021-22 India-Jordan bilateral trade was valued at all time high at US\$ 2.716 billion recording an exceptional annual growth of 60.13%, with India's exports to Jordan amounting to US\$ 889.2 million with an annual growth of 40.96%. India imports fertilizers, phosphates, phosphoric acid etc. from Jordan and exports cereals, frozen meat, organic and inorganic chemicals, animal fodders and variety of machinery & other engineering items.

Trade in Engineering

Among the West Asian and North African (WANA) region, Jordan ranks 8th, as India's largest trade partner for the year 2021-22. During 2021-22 India's engineering exports to Jordan reached US\$ 107.3 million, while engineering imports from Jordan recorded at US\$ 43.9 million. So India enjoys a trade surplus with Jordan in case of engineering goods. The major items of export to Jordan include motor vehicles; electrical machinery & equipment; products of iron & steel; pumps of all types; industrial machinery for dairy, agriculture, food processing, textiles, paper, chemicals etc; aluminium and products made of aluminium; two and three wheelers; medical & scientific instruments; Auto Components/Parts; IC engines & parts etc.

Opportunity for Indian Engineering Industry

Indian Electrical Equipment Industry Mission Plan (2012-22), aims to make India as a preferred destination for production of electrical equipment. It also aims to achieve an output of US\$ 100 billion by balancing the trade deficit in the sector. The Government of India has lowered customs duties on a range of equipment to focus on technology and R&D and bring it on a par with the global benchmark.

The Vision 2025 of the Jordanian economy focuses to expand sectors like oil shale extraction in the energy sector, development of ICT and etc. Thus there is a huge scope for the Indian exporters to take advantage of the current demand of electrical machinery and equipment and industrial machinery in Jordan.

In case of Industrial machinery & Electrical Machinery & Equipment which is the focus product of JIMEX, India's bilateral trade with Jordan is around US\$19.1 million in 2020.

Product Profile

Machinery

Industrial Machines:

- Industrial Machines
- Food Machinery
- Production Lines
- Wood Working Machines
- Construction Heavy Machines
- Compressors, Fans & Blowers
- Turning Machines (Lathes)
- Sawing and Cutting Machines
- Screwing and Threading Machines
- Packaging Machines
- Welding and Gas Cutting Machines
- Cutting and Forming Tools
- Plain Bearings & Anti-friction Bearings
- Hydraulic and Pneumatic Systems
- Conveyor Belts & Transportation Machine
- Cranes Forklifts and Lifting Machines
- Storage Systems
- Lifts & Escalators
- Stores & Metal Construction Systems
- Tools and Industrial Supplies.

Mining:

- All Drilling Machines Tools for Mining
- Drilling, Boring, Milling and Grinding Machines

HVAC & Refrigeration:

- Air-conditioning systems
- Pumps, Fans, Boilers and Radiators
- Chillers and Central Air- conditioning
- Industrial Refrigeration, Refrigeration Rooms
- Solar Heaters

Water & Gas Technologies:

- Water Treatment Systems
- Valves and Flow meters
- Control systems for pumps
- (BMS) Building Management Systems
- Gas Technology and applications
- Filters, Fans and instrumentation

Fire Fighting & Safety Systems:

- Safety Equipment and Systems
- Fire Fighting Systems
- Tools and safety equipment

Electricity

Automation and Installation:

- Distribution & Control-gear
- Installation Technique and Equipment
- Programmable Logical Controllers (PLC)
- Protection Equipment and Systems
- Control, Motion, Drive and Automation
- Instrumentation & Metering
- Power, Communication & Control Cables
- Lighting and LED Lighting.
- Automation for Storage & Transportation
- Fire Alarm Systems
- Electrical & Mechanical Training Equipment
- Traffic Light Systems

Energy & Electrical Machines:

- High, Medium & Low Voltage Switchgear
- Transformers, Generators & Motors
- UPS Systems
- Computers & Software for Machines and Industries
- Variable Speed Drives
- SCADA & Industrial Software
- Other products related to above sectors.

Security & Monitoring Systems:

- Cameras and Monitoring Systems
- Security Equipment and Systems
- Engineering Software and Books
- Training and Lab Equipment

Solar & Renewable Energy Show and Forum:

- PV Solar Systems
- Solar Heating & Cooling
- Wind Generation and Smart Grid
- Energy Production Utilizing Renewable & Future Primary Energy Sources
- Rehabilitation of Power Generation Units
- Energy Saving Management
- Energy Efficient HVAC & R

Venue

Halls of Jordan Center for International Exhibition (JIEC), Mecca Mall, Gate 3, Al-Aayan Street, Amman, Jordan

Date

5 – 8 June 2023

Note:

1. The above rate is subject to receiving of Government sanction for the event for organizing an India Pavilion. In the unlikely event of not receiving Government sanction, additional amount shall be required to be paid by the participants.
2. The rate includes cost of five nights stay in a decent hotel near the fairground.
3. EEPC India reserves the right to reject an application for participation without assigning any reason.
4. In case of not receiving a minimum number of participants, EEPC India may decide not to participate in the show.
5. No subletting or sharing of space/ booth is permitted.

Participation Charges

- Booth size: 9 sqm
One side open (built-up booth):
INR 19500/- per Sqm.
- 10% extra for two sides open booth (subject to availability)
- Participation Charges includes 5 nights of hotel stay for one person per exhibiting organization (to be allotted on first-come-first served basis)

COVID-19 Protocol & Travel Advisory

The Jordan Government has lifted the post-arrival nucleic acid testing requirement and the Provisional Vaccine Pass arrangement.

Re-imbusement of Airfare

Up to Rs. 75,000 may be reimbursed to eligible participants in terms of the MAI guidelines. However, this shall be subject to receiving of specific Govt. approval for such assistance for events of 2023-24. The T&C must be abided by for eligibility towards such re-imbusement. For detailed guidelines please click the following link:

Guidelines for Reimbursement of Airfare

Note: EEPC INDIA can only recommend for issuance of VISA to the extent that the concerned person is a participant at the subject exhibition and that the person in question has been certified by the participating organization to be their representative. The Foreign Embassy/ Consulate where the applicant submits the VISA application is expected to follow their usual procedural checks before granting the VISA in question and EEPC INDIA shall not be responsible in any manner whatsoever for non-issuance of VISA by the concerned authorities. This would mean that the prospective participant will be fully liable for the total charges payable to EEPC INDIA even if they do not obtain the VISA for any reason whatsoever.

Mode of payment

- Please pay online through the following Payment Gateway :
PayU OR
- Pay through RTGS/NEFT in INR as per the following details :
Name of the Bank : HDFC BANK LTD
Branch : Central Plaza
Address of Bank : 2/6, Sarat Bose Road, Kolkata 700 020
Account Number : 00142090000452
Account Name : EEPC INDIA
NEFT Code : HDFC0000014
OR
- UPI ID: eeplindiaacpromotion.76041638@hdfcbank
OR
- Demand draft favouring "EEPC INDIA" along with the duly filled-up Application Form

Booth display:

Participation charges includes the following services:

- One Table
- Two Chairs
- Two Led Lights
- One Counter
- Carpet & Waste-Bin
- Fascia Name
- Name in Exhibitor Directory

Submission of application

Interested members are requested to fill in the online Application Form latest by **10 May 2023** at the following link:

[Click For Application Form](#)

Please go through the "**Mode of Payment**" section of this Circular for payment details.

Selection criteria

Since limited space is available, selection of participation will be done strictly on first-come, first-served basis.

Benefit to the member-exporters

EEPC India is proposing to organise this event under the MAI Scheme of Ministry of Commerce & Industry, Government of India. The rates mentioned above are subsidized in comparison with the normal rates offered by the Fair Authorities and is in anticipation of receiving the government approval.

Cancellation of participation

Please note that no request for cancellation and/ or refund including of advances, if any and/ or adjustment thereof shall be accepted for any reason whatsoever. Once the application form and/ or advance/ part payments are accepted by EEPC India the participant remains liable to pay in entirety the amounts due from them on account of the event. In case members are not able to travel due to travel restrictions/advisory by Government of India or Jordan then the amount paid will be adjusted toward the participation in the next edition.

Force Majeure

If a Force Majeure Event like war, act of God, natural calamities, governmental directives, civil commotion, epidemic, pandemic, etc. or alike events occurs inasmuch as that the fair authorities/ organizers consider that it is illegal, impossible, inadvisable or impracticable for the physical, onsite and in-person (i.e. 'live') elements of the Event to be staged, then in such situation and/ or circumstances the decision of the fair authorities shall be final and binding upon EEPC India and all its co-exhibitors/ participants. In such situation and/ or circumstances, if the fair authorities, organizers or the vendors appointed for providing diverse services related to the Event in question does not refund the monies paid by EEPC India and/ or does not otherwise absolve EEPC India from its contractual obligations then in such case the Co-exhibitors / participants remain liable to pay to EEPC India the contracted participation charge in full and shall not receive any refund from EEPC India of the amounts paid by the co-exhibitors/ participants. Further, if the fair authorities, organizers or the vendors, so appointed for the Event binds or rolls over EEPC India's participation in the future editions of the same Event in question, then automatically the participation of the co-exhibitor/ participant shall also be carried forward to such future editions of the Event and the amounts paid by them shall be given a credit for the successive edition. However, if there is any increment in the participation fees fixed by the fair authorities, organizers or in any other charges, budgets, etc. then such increased amount has to be paid by the co-exhibitor/ participant without any demur based on the space and booth booked by the co-exhibitor/ participant. In any event, a co-exhibitor/ participant cannot decrease the space or the booth size booked by them for the originally scheduled Event.

Note: Regarding goods taken out of India for exhibition or on consignment basis for export promotion, participants may refer to Circular No. 108/27/2019-GST dated 18.07.2019 of the Central Board of Indirect Taxes and Customs (CBIC) which is the statute in the matter.
